Hi Matthew, great to hear from you. We're running down a bunch of other questions for you as well.

What's your deadline?

Thanks,

Christie

**Subject:** Abandoned mines request from Associated Press

Greetings-

As part of our ongoing coverage of Gold King Mine incident, we are looking to gather data on other abandoned mines across the U.S.

I was told by Bureau of Land Management that the EPA maintains a database of mines on non-public lands.

Can you provide me with an electronic copy of this dataset, preferably in an Excel or comparable file, along with a data dictionary that explains each field and records contained in it?

If not, can you tell me who at the EPA can fulfill this request?

Thanks for your time.
